Sir,

In continuation of my letter No.702 of the 30th Ultimo, regarding T.G.Subba Rao, Accountant and Cashier, I have the honor to report that the Chief Engineer has intimated in his letter No.3160 of the 8th instant, (copy of the letter and of its enclosure submitted herewith) that there is no vacancy in the establishment of Accountants and Cashiers in the Public Works Department and that Subba Rao may consequently be provided for elsewhere.

II. In my letter No.702 referred to above, I have reported that there being no provision to keep on Subba Rao in the Trust Board, the Chief Engineer had to be addressed to take him back in this Office letter No.775 of the 20th March 1908, copy also enclosed for perusal.

III. This Official is now however without employ, and it is not desirable to disturb the present arrangements made in for the Chairman's Office establishment. I request therefore that early orders may be kindly passed for providing Subba Rao with a suitable appointment either in the Revenue Department as recommended by my predecessor in this Office letter No.662 of the 30th January 1908 or in any other Department.

Sir

Adverting to Correspondence ending with the
Office no 3025 of the 2nd instant, regarding J G Subbaraya
Cashier & Accountant, City Improvements Bank Board
I have the honor to bring to your notice, that in spite
of the above communication (marked Urgent and
despatched on the 2nd inst), Subbaraya has been ordered
by you to report himself at this Office, and he reported
himself here yesterday morning

2 The Comptroller to whom your letter no 1754 of
the 20th march last, was sent in view to Subbaraya being
provided with an appointment in the Accounts branch
has now reported (vide enclosed copy of his no 6913 of 6th inst)
that there is no vacancy in the Establishment of Accountants & Cashiers, even for a temporary Cashier, for
reasons therein given, and that Subbaraya be otherwise provided for as suggested by him as this
Office is not aware of the circumstances under which
Subbaraya was made permanent on Rs 50/, and

No appointment on that pay can be found for him in the P.W. Department, & it is regretted that he will be provided for elsewhere.

I Subbarayan has been directed to return & report to receive your further orders.

I have the honor to be,

Sir,

Your most Obedient Servant.

Receipt no: 6913/A of 6th May 1908 from the Comptroller P.W Branch to the Chief Engineer & Improvement.

With reference to the Chief Engineers memo no 2585 of 6th Ultimo (herewith returned) forwarding for disposal letter no 775 of 20/21st March/08 from the Chairman of the Board of Trustees for the Improvement &c granting to provide J.G. Sibbaram with a suitable place on Rs 50/- in the P.W. Department, has the honor to State that J.G Sibbaram, temporary Range Clerk on Rs 25/- Bomballi Range was first appointed as temporary Range Cashier on Rs 35/- in the Improvement City Improvements Range on 19th November/02. On the Amalgamation of the same with the Improvement City Improvements Branch, his services were transferred to the Board he was seconded on the list of Cashiers as a temporary Range Cashier on Rs 35/- along with his contemporaries. Owing to the abolition of all permanent Ranges, and the Amalgamation of maintenance with that of the Chitaldroog Division, all the temporary Range Cashiers have been reverted to their former place in the General Branch with the result that at the present moment there is no place of even a temporary Cashier on Rs 35/- Against which J.G Sibbaram can be employed Had Sibbaram continued to remain as Cashier in this department, he would have shared the same fate as other temporary Cashiers viz reverting to

of a post on Rs 250 in the General Branch under the orders of the Chief Engineer. He holds a permanent lien on a ministerial post on Rs 200 in the Department as per confirmation order. issued in Chief Engineer no 6728 of 9th August 90.

2 It is observed from para 4 of the Chairman's letter under reference that Subbaraman holds a permanent place on the roll in the Samb Board, on which pay he has been allowed by Government to remain his life if the tenure of his appointment has been declared permanent by a competent authority, a place on that pay has to be found for him, and the only alternatives that suggest themselves to me are (1) to keep him on as Cashier on Rs 150 under the Board, and give him the balance of Rs 150 as a personal allowance - or (2) provide him with a place on Rs 150 in some other Department. There is no vacancy in the Establishment of accountants and Cashiers under the Comptroller to which Subbaraman can be appointed

Letter No.775 dated the 20th March 1908 from the Chairman of the Board of Trustees for the Improvement of the City of Mysore to the Chief Engineer of Mysore, Bangalore.

Sir,

With reference to para 3 of Govt.Pro.No.6862-8 M.L.77-07-6 of the 17th January 1908. ordering certain reductions in the Trust Board establishments, copy whereof has been sent to you direct, I have the honor to bring to your notice thatT.G.Subba Rao, present accountant and cashier in the Office of the Executive Engineer, Mysore City Improvements Division, was appointed as Cashier of the Mysore City Improvements Range in P.W.Examiner's No.2605 of 8-11-1902, and sent to Mysore as certified in his Service Register before the formation of the Trust Board. But on the formation of the Trust Board, he was taken as Cashier of the Chairman's Office on Rs.40/- subsequently increased to Rs.45/- & 50/-with the sanction of Government, his services having been allowedto be treated as lent to the Trust Board as intimated in the Examiner's docket No.2875 of 21-11-04 seconding Subba Rao's name in the list of Cashiers Public Works Department.

2. He was subsequently deputed to do the duties of Accountant and [illegible] in the Office of the Executive Engineer Mysore City Improvements Division, and this was sanctioned in G.P.No.3065-8 Ml.5-05-8 of 5-3-06. In the redistribution of scale of the Office establishment as approved in G.P.No. 2393-4 Ml.491-06-4 of 12-9-07, he was made to do the combined duties of Accountant and Cashier in the Office of the Executive Engineer, Mysore City Improvements Division.

3. But consequent or the changes in the working of the Trust Board, a separate full time Accountant and a separate full time Cashier on a less pay of Rs.40/- had to be given to the Office of the Executive Engineer abolishing the combined appointments of Accountant and Cashier. This has necessitated the reversion of T.G.Subba Rao to the P.W.Department

which lent his services to the Trust Board.

4. Under these circumstances I request that the Chief Engineer may be pleased to provide Subba Rao with a suitable appointment on Rs.50/- which he has been permanently drawing since July 1906, and on which pay he has been allowed by Government to insure his life.

5. A copy of my predecessor's letter No.662 of 30-1-08 to the Secretary to Government, Rev. & Genl. Departments submitting Subba Rao's application is forwarded for information.

6. On receipt of a reply Subba Rao on leave will be directed directed to report himself to you for duty on the expiry of his leave.
